

## Extras

### Top 3 sales arguments

- Powerful suction cleaning of pond surfaces up to 50 m<sup>2</sup>
- Whirlpool and aerator function
- Easy cleaning thanks to convenient basket removal

### Recommendation

The SwimSkim CWS can be fixed in place either on the pond floor or with the provided ground stakes.

# SWIMSKIM CWS

## Floating skimmer with whirlpool function

- Suitable for pond surfaces up to 50 m<sup>2</sup>
- Whirlpool function prevents pollutant deposits
- Clearly improved water quality and viewing depth through vacuum removal of debris particles
- Energy-efficient and powerful Aquamax Eco pump is integrated
- Automatic adjustment to any water level (from 40 cm water depth)
- Strong local effect
- Extremely strong suction thanks to patented flap technology
- Removes floating particles before they can sink to the bottom
- Easy cleaning thanks to convenient basket removal
- Ideal supplement for the OASE filter system FiltoMatic CWS

### Technical data
